Dear Mr Hignett,

On behalf of the Centre I would like to express my (more formal) appreciation to your company for the excellent work you did for the refurbishing of our new premises. This was of high quality, with great care taken to ensure that the additional work was in sympathy with the 105 year old building.

I would also like to congratulate you for an excellent building maintenance report. The Board commented most favourably about this. It will be of invaluable help to us.

Thank you, again, for your help.

Yours sincerely,

(Dr) William C. Hall  
Executive Director
